£795
offer code
POLY09

As a valued Prosonix customer, Scientific Update are delighted to offer you a special delegate rate of just **£795**. That's £400 off the regular price but you will still enjoy all the same benefits:

- Two information packed days
- Hear important case studies
- Meet and network with your peers
- Keep informed about the latest developments
- Take valuable information back to inspire all your team
- Improve and develop your skills

Why is important to attend? Simply, time is money but what you will learn at this event could help you save it! Look forward to seeing you in Brussels...

[To register](#) and have your preferential discount applied simply enter **POLY09** in the offer box.
